

"Implant Failure Mechanisms"

2016-11-23

Location: Arvid Carlsson lecture hall, Medicinaregatan 3, Gothenburg

08.30-09.00	Registration
09.00-09.10	Welcoming address Carina B. Johansson , PhD, Prof. Inst. of Odontology, Dep. of Prosthodontics/Dental Materials Science, Sahlgrenska Academy at University of Gothenburg. Chair of Biomaterials Research Centre (BRC).
09.10-9.40	"Osseointegrated amputation prostheses: 25 years of scientific and clinical development" Björn Rydevik , MD, PhD, Dep. of Orthopaedics, Inst. of Clinical Sciences, Sahlgrenska Academy at University of Gothenburg.
9.45-10:15	"Pathogenesis of Biomaterials-Associated Infection" Margarita Trobos , MSc, PhD. Dep. of Biomaterials, Inst. of Clinical Sciences, Sahlgrenska Academy at University of Gothenburg, BIOMATCELL VINN Excellence Center of Biomaterials and Cell Therapy, Gothenburg.
10.15-10.45	Coffee
10.45-11.15	"Molecular biocompatibility of implant biomaterials" Omar Omar , B.D.S., PhD. Dep. of Biomaterials, Inst. of Clinical Sciences, Sahlgrenska Academy at University of Gothenburg, BIOMATCELL VINN Excellence Center of Biomaterials and Cell Therapy, Gothenburg.
11.20-11.50	"Peri-implantitis" Tord Berglundh , DDS, PhD. Prof. Dep. of Periodontology, Inst. of Odontology, Sahlgrenska Academy at University of Gothenburg.
11.50-13-00	LUNCH
13.00-13.30	"Factors related to implant complications" Torsten Jemt , DDS, PhD. Brånemark Clinic, Public Dental Service, Region Västra Götaland, Gothenburg,
13.35-14.05	"Mechanical Aspects Related to Implant Treatment" Anders Halldin , MS, PhD. Dentsply Sirona, Mölndal.
14.10-14.40	"Implant surveillance and multidimensional outcome assessment in joint replacement surgery" Ola Rolfson , MD, PhD, Associate Prof. Dep. of Orthopaedics, Inst. of Clinical Sciences, Sahlgrenska Academy at University of Gothenburg.
14.40-	Coffee/mingle & End of Day
